DAO SOFT O6

With the Dao Soft sofa, designer Gordon Guillaumier proposes a modular system that focuses on planning freedom and the geometric harmony of soft, calibrated volumes. Designed to create environments devoted to well-being and calm, the Dao Soft sofa stands out for its ability to adapt to formal or informal settings, thanks to balanced proportions and a discreet but recognizable aesthetic. High backrests and seats with differentiated polyurethane padding and Cloud Foam and Microflock inserts ensure great comfort, meeting the needs of the project in both residential and contract settings. Available in two variants - Dao Soft Base, with an upholstered base, and Dao Soft Light, with black feet - the collection is completed with a strong sartorial connotation, expressed in the sewing "a pizzicotto" that features the cover either in fabric or leather with a precise, textural hallmark. In the proposed versions, the Dao Soft sofa is explored through different spatial solutions, to offer concrete tools in defining welcoming, flexible environments consistent with a measured and contemporary design language.
