AMY BOOKCASE

Design Euro Sironi

Elogio di una purezza progettuale senza tempo, la libreria modulare Amy rinuncia al superfluo e si definisce in un'assoluta pulizia formale. Raffinata soluzione d'arredo dallo spirito trasversale la libreria Amy è caratterizzata dai montanti portanti, con fissaggio a muro o a pavimento/soffitto, in metallo verniciato e dettagli in contrasto. I montanti della libreria Amy sostengono le mensole a vassoio solide nella funzione, ma visivamente leggere da abbinare ai contenitori a giorno con vano portalibri e all'elemento chiuso con anta a ribalta, tutti in essenza.

Praise of a timeless pureness planning, the modular bookcase Amy gives up the unnecessary and features an absolute formal tidiness. Refined furnishing solution with a cross-spirit, the bookcase Amy features free standing uprights, either wall or floor/ceiling fixing, in metal and details in contrast. The uprights of the Amy bookcase support tray-shaped shelves, which are sturdy in the function, yet visually light and match the open storage units with book holders and closed storage ones with flap door, all in sophisticated wood finishes.

Montanti (a muro o a soffitto): metallo color Brunito, color Nero Sablé, color Sabbia Sablé oppure color Greige Sablé. Su richiesta in metallo color Titanio.

Dettagli montanti: metallo color Titanio, su richiesta in metallo Oro Satinato.

Vassoi, Reggilibri e Contenitore con anta: frassino impiallacciato color Wengè, colore Tabacco o color Greige.

Libreria componibile con possibilità di fissaggio a muro o a soffitto. Se usata in centro stanza la libreria potrebbe oscillare leggermente, per questo motivo si consiglia fortemente l'utilizzo contro la parete. Per dare maggiore stabilità alla composizione è necessario utilizzare i reggilibri ed i contenitori con anta, e non solo i vassoi.

Uprights (wall or ceiling): metal Burnished colour, Black Sablé colour, Sand Sablé colour or Greige Sablé colour. On demand metal colour Titanium.

Upright details: in metal Titanium colour. On demand in metal Satin Gold.

Trays, Bookstorages and Boxes with door: veneered ashwood Wengè colour, Tobacco colour or Greige colour.

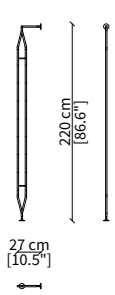

The modular bookcase is to be fixed to the wall or to the ceiling. If used as room divider, the bookcase can slightly oscillate, therefore it is strongly recommended to use it against the wall. In order to increase the stability of the composition it is necessary to use book-storages and boxes with doors, and not only trays.
