AXEL TABLE

Design Umberto Asnago

Per la zona dining Asnago ha disegnato Axel: un tavolo con basamento in legno massello dalle gambe scultoree finemente lavorate, che sostengono il piano in legno, in cui un intarsio nero a filo divide il top diventando un tratto distintivo del prodotto e del designer. Un tocco elegante che enfatizza la venatura del legno valorizzandola. Il piano è proposto anche in altre finiture preziose e ricercate.

For the dining area Asnago has designed Axel: a table with a base in solid wood, with sculptural legs finely manufactured, which support the wooden top where a fine black flush inlay becomes a hallmark for the product and for the designer. An elegant touch which accentuates the wood grain by enhancing it. The top is also available in other precious and refined finishes and textures.

Gambe: massello frassino colore Sabbia, frassino colore Wengé oppure frassino colore Greige. Su richiesta in frassino color Sabbia o color Liquirizia.

Piano in legno: impiallacciato in frassino, sempre coordinato al colore delle gambe, con inserto decorativo laccato nero opaco.

Piano in vetro: vetro Texture Fumé oppure in vetro Texture Bronzo con perimetro del vetro in finitura retro-laccato per un effetto di contrasto.

Legs: solid ashwood Sand colour, ashwood Wengé colour or ashwood Greige colour. On demand in ashwood colour Sand or color Liquorice.

Wooden top: veneered ashwood, always matching the legs, with a decorative matt black lacquered insert.

Glass top: textured glass Fumé or textured glass Bronze with perimeter of the glass in back-lacquered finish for a contrasting effect.
