COOPER SOFT SOFA

Design R&D Frigerio

Il divano modulare Cooper Soft è la nuova evoluzione per un divano contemporaneo modulare all’insegna della massima morbidezza e funzionalità. Dallo sviluppo geometrico con volumi a terra si caratterizza da una seduta con un poliuretano espanso con inserti in Cloud Foam e trapuntino in Microflock per una seduta ineguagliabile. Disponibile in una sola profondità, il divano Cooper Soft evidenzia linee pulite per volumi generosi grazie a un’eleganza disinvolta interpretando lo spazio con uno stile contemporaneo e rilassato. I moduli a terra, ampi e accoglienti, creano una base solida e confortevole, perfetta per vivere la zona giorno in totale libertà. Grazie alla sua modularità flessibile, si adatta a ogni ambiente ed esigenza, permettendo infinite configurazioni. Un divano pensato per chi cerca comfort autentico e design evoluto, senza compromessi.

The Cooper Soft modular sofa is the new evolution for a contemporary modular sofa under the sign of maximum softness and functionality. Geometrically developed with volumes on floor, it features a polyurethane foam seat with Cloud Foam inserts and Microflock quilting for unparalleled seating. Available in one depth, the Cooper Soft sofa highlights clean lines for generous volumes through casual elegance while interpreting the space with a relaxed contemporary style. The spacious and welcoming modules create a solid and comfortable base, perfect for experiencing the living area in total freedom. Thanks to its flexible modularity, it adapts to every environment and need, allowing endless configurations. A sofa designed for those seeking authentic comfort and advanced design, without compromise.

DETTAGLI DEL BRACCIOLO CHL /
DETAILS OF ARMREST CHL

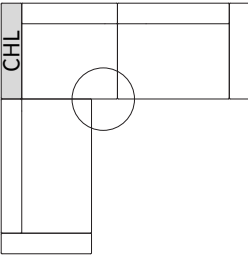

CHL: Bracciolo con le stesse caratteristiche dello schienale per essere usato nelle composizioni ad angolo.

CHL: Armrest with same characteristics as the backrest, to be used in corner compositions.

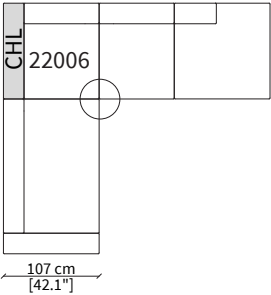

ESEMPI DI COMPOSIZIONE AD ANGOLO /
EXAMPLES OF CORNER COMPOSITIONS

Le composizioni ad angolo possono essere così realizzate:
Corner composition can be built as follows:

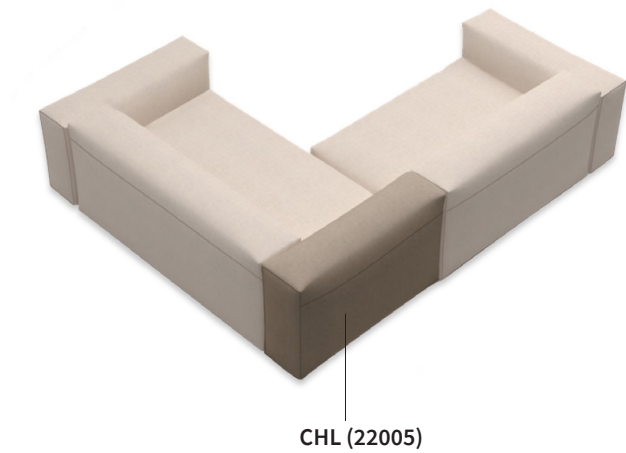

1. creando un angolo unendo qualsiasi elemento al bracciolo **CHL (22005)**.
Suggeriamo l'aggiunta di un cuscino schienale per maggior comfort nell'angolo.

1. by building a corner joining any element to the armrest **CHL (22005)**.
We recommend adding an extra back cushion for a better comfort in the corner.

2. creando un angolo quadro (cm 107 x 107) unendo l'elemento **22006** (cm 84) al bracciolo **CHL (22005)** cm 23) per un allineamento preciso delle sedute.

2. by building a square corner (cm 107 x 107) joining the element **22006** (cm 84) to the armrest **CHL (22005)** cm 23) for a perfect alignment of the seats.
