EDDIE DOUBLE SOFA

Design R&D Frigerio

Eddie Double è la versione bifacciale della collezione Eddie di divani modulari a terra con basamento in legno rivestito in pelle o tessuto e piedini a scomparsa sulla cui sottile base poggia il cuscino monovolume della seduta, che può essere rivestito con tessuto o pelle con lavorazione liscia, oppure con una particolare trapuntatura orizzontale che scorre lungo la seduta. Il divano Eddie nella versione Double, dal gusto contemporaneo ed elegante, può dare vita a forme uniche e dalle proporzioni calibrate. Il dettaglio del sottile basamento su cui poggia ne esalta la cura per i particolari per un risultato scenografico. Eddie è un divano dalle linee essenziali che si inserisce facilmente in diversi ambienti domestici.

Eddie Double is the double-sided version of the Eddie collection of floor-standing modular sofas with a wooden base covered in leather or fabric and concealed feet , on whose slender base rests the monovolume seat cushion, which can be covered in fabric or leather with a plain pattern, or with a special horizontal quilting that runs along the seat. The Eddie sofa in the Double version, with its contemporary and elegant taste, can give life to unique shapes with calibrated proportions.
