ELLY TABLE

Design Gabriele e Oscar Buratti

Finiture eleganti e sofisticazione di elementi primari. Gabriele e Oscar Buratti collaborano con Frigerio presentando il tavolo Elly che si caratterizza per una struttura formata da colonne in legno fuse tra loro in un gioco di incastri che anima un progetto apparentemente semplice. La collezione di tavoli da pranzo Elly si caratterizza dall'ampia scelta fra top tondi, rettangolari o con il nuovo piano ovale dalle generose dimensioni. Inoltre le differenti finiture disponibili per il tavolo da pranzo Elly, gli permettono di assumere estetiche diverse senza venir meno alla sua natura essenziale. I piani del tavolo sono disponibili nelle versioni completamente laccati lucidi, così come la base, nei nuovi colori della collezione Frigerio, oppure con basamento in legno di frassino e top in marmo e legno. Le finiture scelte per questo tavolo sono sicuramente uno dei suoi elementi caratterizzanti che lo rendono una presenza iconica, colori forti dalle tonalità decise e ricercate.

Elegant finishes and sophistication of primary elements. Gabriele and Oscar Buratti collaborate for the first time with Frigerio by presenting the Elly table, which features a structure formed by wooden columns fused together in a play of joints that animates an apparently simple design. The collection of dining table Elly features a wide range of selection between round, rectangular or the last new oval top in a large dimension. Furthermore the different finishes available for the dining table Elly allows the Elly table to take on different aesthetics without losing its essential nature. The table tops are available in fully glossy lacquered versions as in the base, in the new Frigerio colours collection or with an ashwood base with top in marble or wood. The finishes chosen for this table are certainly one of its distinguishing features, making it an iconic presence, strong colours in bold and sophisticated tones.
