MILLER DOUBLE SOFA

Design R&D Frigerio

Estremamente dinamico nell'estetica e nelle funzioni, Miller è concepito come spazio d'incontro. La scenografica versione bifacciale del divano Miller Double, riflesso di una socialità contemporanea e informale, è caratterizzata dagli schienali imbottiti anche sul retro per consentire l'aggancio delle sedute su entrambi i lati. Pensata per creare configurazioni a centro stanza perfette per arredare anche sofisticate lounge contract. La collezione di divani modulari Miller double permette di mixare liberamente gli elementi del programma creando soluzioni fortemente personalizzate capaci di ribaltare, arricchendola, la funzione classica del divano all'interno degli spazi, siano essi domestici o contract. Più che una collezione di sedute, Miller Double è un vero e proprio sistema d'arredo di divani modulari moderni dalla seduta confortevole.

Extremely dynamics in the aesthetic and functions, Miller is conceived as a space for encounter. The double-sided version of Miller Double sofa is scenographic, it is the reflection of contemporary and informal social relations, it features padded back also on the back part to allow the fitting of seat elements on both sides. Conceived to create configurations in the middle of a room, it is perfect to furnish also sophisticated contract lounge. The collection of modular sofa Miller Double allows to freely mix the elements of the programme to create strongly personalized solutions which are able to overturn, by enriching it, the classical sofa function within the domestic or contract areas. Much more than a collection of seating, Miller Double is a true and real furnishing sofa modular system with comfortable seating.
