SANTAMONICA SMALL TABLE

Design Christophe Pillet

Santamonica è una famiglia di tavolini a tre gambe tubolari esterne in metallo verniciato, che sostengono un piano rotondo, su cui si appoggia un vetro in due varianti cromatiche. Il top in vetro texturizzato ne esalta la particolare matericità. Famiglia di tavolini di differenti dimensioni ed altezze per soluzioni flessibili alle diverse necessità arredative, è un prodotto altamente sofisticato nella sua elegante semplicità.

Santamonica is a family of small tables on three tubular external legs in painted metal, which support a round glass top, available in two chromatic selections. The textured glass top enhances its peculiar substance. Family of small tables in different sizes and heights, suitable for flexible solutions according to different furnishing needs, is a highly sophisticated product in its simple elegance.

Struttura: in metallo color Nero Sablé, Sabbia Sablé o Greige Sablé. Su richiesta in metallo color Brunito o colore Titanio.

Top: in vetro Texture Fumé oppure vetro Texture Bronzo. Perimetro del vetro in finitura retro-laccata per un effetto di contrasto.

Structure: in metal Black Sablé colour, Sand Sablé colour or Greige Sablé colour. On demand in metal colour Burnished or colour Titanium.

Top: in textured glass Fumé or textured glass Bronze. Perimeter of the glass in a back-lacquered finish for a contrasting effect.
