STEPAN LOW BOOKCASE

Design David Lopez Quincoces

Stepan, la nuova collezione disegnata da David Lopez Quincoces, è una famiglia di arredi versatili caratterizzati da una pura essenzialità formale. La famiglia si compone da vari elementi come il tavolino, la panca e la libreria bassa, posizionabile retro-divano, portavoce di un disegno che celebra le curve e l'essenza del legno. Gli stilemi della famiglia vengono ripresi nella libreria bassa, uso retro-divano, rivisitata nelle dimensioni e definita da due piani con impiallaccatura orizzontale con bordi e sottofondi laccati in nero opaco. Arredi trasversali e dinamici, capaci di rispondere a diverse esigenze di stile, ambiente e personalità.

Stepan, the new collection designed by David Lopez Quincoces, is a versatile furniture family characterised by pure formal essentiality. The family is composed by a small table, a bench and a low bookcase, which can be fitted behind the sofa, are the ambassador for a design that celebrates the curves and the essence of wood. The family's stylistic features are also echoed in the low bookcase, to be used behind the back of the sofa, revisited in sizes, and defined by two shelves with horizontal veneer with matt black lacquered edges and undershelves. Transversal and dynamic furniture, capable of responding to different needs of style, environment, and personality
