TAYLOR SOFA

Design R&D Frigerio

Dal forte carattere contemporaneo, Taylor è un sistema di divani fissi e modulari dinamico nel carattere ideale per progettare composizioni eterogenee per estetica e uso: aperte alla convivialità o più intime e raccolte; isole votate al relax e all'intrattenimento dove poter anche lavorare. Un programma di sistemi di divani modulari d'arredo completo definito da originali e personali giochi di volumi pieni e vuoti che alle sedute abbina una serie di complementi appositamente dedicati: elemento Cabinet in legno da posizionare tra le sedute o a lato, con vani aperti o chiusi da due vassoi in legno removibili e su richiesta disponibile con lampada a LED; mensole rivestite in cuoio con cuciture tono su tono con bordi in legno, da fissare sul lato o sul retro delle sedute o da posizionare lungo tutto il perimetro, come tavolini, portaoggetti e librerie. Dall'innata eleganza, i divani fissi sono proposti a due o tre posti; quelli modulari si compongono con elementi centrali, terminali, angolari, dormeuse, chaise longue, pouf. Tutti in due profondità e con schienali fissi o Up rialzabili con movimento per una componibilità estremamente flessibile. Taylor si caratterizza inoltre per il basamento in metallo e dalle cuciture sartoriali a "pizzicotto", perfetto simbolo dell'attitudine sartoriale di Frigerio. Completano la gamma le versioni Taylor Junior con poltrona e divanetto a due posti.

With a strong contemporary character, Taylor is a system of sofas and sectional elements dynamics in the character and ideal to create mixed composition aesthetically and functionally: open to conviviality or more intimate and curled up, dedicated islands for relax and entertainment where you could also work. A furnishing complete sofa modular programme defined by unique and personal plays of volumes full and empty, which matches to the seating elements a collection of dedicated accessories: the wooden Cabinet element to be placed between seatings or at one side, with open or closed storage with two removable wooden trays also available with a LED lamp; shelves covered in hide leather with edges in wood, to be fixed to the side or in the back of the sofa or all around the perimeter, to become small tables, objects trays and bookcases. With a natural elegance, the sofas are proposed in the two- and three-seater versions; the sectional ones are composed by various elements: central, terminal, corner, dormeuse, chaise longue and poufs. All in two depths and with fixed back or UP back with raising mechanism. Taylor features a metal base and the sewing "pizzicotto", a perfect symbol of the tailoring attitude of Frigerio. The collection is completed by the Taylor Junior version with an armchair and a two-seater sofa version.
