TOM POUF

Design Calvi & Brambilla

Nati dall'omonima collezione di tavolini, i nuovi pouf Tom di Calvi Brambilla portano nuovo dinamismo nel living Frigerio mantenendo il fil-rouge del design evocativo del movimento delle onde. Pensati per integrarsi perfettamente con il sistema di divani e tavolini della collezione si caratterizzano da forme voluminose che giocano con sovrapposizioni e accostamenti grazie ai tagli asimmetrici della silhouette. I pouf Tom diventano volumi flessibili, posizionabili con facilità in qualsiasi progetto domestico e nel contract cui offrono sedute aggiuntive morbide e confortevoli, i pouf sono pezzi volanti da usare singolarmente o combinare in composizioni che giocano con altezze, formati e materiali di rivestimento.

Inspired by the eponymous collection of coffee tables, the new Tom pouffes by Calvi Brambilla bring a fresh sense of dynamism to the Frigerio living room, whilst maintaining the design's central theme of wave-like movement. Designed to blend seamlessly with the collection's range of sofas and coffee tables, they are characterised by voluminous shapes that play with overlaps and juxtapositions thanks to the asymmetrical cuts of their silhouette. The Tom pouffes become flexible volumes, easily positioned in any domestic or contract project where they offer additional soft and comfortable seating; the pouffes are versatile pieces to be used individually or combined in arrangements that play with heights, sizes and upholstery materials.

Struttura: legno multistrato imbottito in poliuretano espanso indeformabile rivestito in fibra sintetica termo-legata con vellutino.
