TOM SMALL TABLE

Design Calvi & Brambilla

I nuovi tavolini Tom portano dinamismo nel living Frigerio, evocando il moto perpetuo delle onde.

Realizzati in multistrato di legno curvato laccato lucido, sono disponibili in tre formati – piccolo, medio e grande – per integrarsi perfettamente con il sistema di divani della collezione.

Le loro forme voluminose, caratterizzate da linee miste e un linguaggio geometrico-astratto, diventano una cassa di risonanza per esaltare il colore puro della lacca o la matericità del legno. Un invito a giocare con sovrapposizioni e accostamenti, creando composizioni dinamiche in cui tagli e asimmetrie ridefiniscono continuamente le silhouette.

The new Tom small tables bring dynamism to Frigerio living, evoking the perpetual motion of waves.

Made of glossy lacquered curved plywood, they are available in three sizes-small, medium and large-to integrate perfectly with the collection's sofas system.

Their voluminous shapes, characterized by mixed lines and a geometric-abstract language, become a sounding board to enhance the pure color of lacquer or the materiality of wood. An invitation to play with overlays and juxtapositions, creating dynamic compositions in which cuts and asymmetries continuously redefine silhouettes.

Struttura: legno laccato lucido colore Lino, Curry, Corallo, Oliva, Oceano, Salvia, Cipria, Tortora, Nero e Burgundy.
