## VIEW SOFA

Design Ferruccio Laviani

Ferruccio Laviani consolida la collaborazione con Frigerio ampliando la collezione del divano modulare moderno View, con nuovi moduli compositivi e inediti accessori per l'area living. Sintesi perfetta dell'estro creativo del designer e del know-how decennale dell'azienda nel settore degli imbottiti, View è un divano modulare che si compone di moduli diversi combinabili tra loro con disinvoltura: la versione modulare con base del divano nella versione piattaforma, in legno o laccata lucida, o la versione modulare a terra imbottita, dialogano fra loro e con l'importante numero di elementi, alcuni dall'animo classico altri dal design più originale. Per la piattaforma in legno, due nuovi colori laccati lucidi si aggiungono alle tinte a catalogo e si consolida la personalizzazione grazie ad accessori come volumi imbottiti, elementi libreria integrati, tavolini fianco e fronte divano.

Ferruccio Laviani consolidates his collaboration with Frigerio by enlarging the View modern modular sofa collection with new modular elements and brand-new accessories for the living area. A perfect synthesis of the designer's creative flair and the company's decades of know-how in the upholstered furniture sector, View is modular sofa made of different elements that can be combined with ease: the sofa version with platform base, in wood and either glossy lacquered or upholstered on floor, they dialogue with each other and with a large number of elements, some with a classic taste, others with a more original design. For the wooden platform, two new glossy lacquered colours are added to the collection by adding to personalized accessories such as padded volumes, integrated bookcase elements, side and front small tables.
