DAO SOFT SOFA

Gordon Guillaumier

Un divano modulare che permette estrema libertà compositiva in un'armonia geometrica di morbidi volumi che, nella loro semplicità visiva, invitano con immediatezza a sperimentare calma e relax, sintonizzandosi con il ritmo del proprio respiro. Dao Soft, la nuova proposta di arredo firmata da Gordon Guillaumier, che inaugura una nuova collaborazione con Frigerio, si caratterizza da alti schienali ed elementi di seduta imbottiti con diverse densità di poliuretano e Cloud Foam, rivestito con trapuntino in Microflock per offrire pieno comfort e flessibilità dando vita a configurazioni che spaziano dalle più classiche e tradizionali a quelle più contemporanee. Elementi centrali, angolari, terminali, braccioli a martello e moduli dalle forme più inconsuete, come chaise longue e dormeuse, permettono piena personalizzazione degli ambienti. Ogni modulo poggia su base, rendendo la sua soffice silhouette ancora più leggera, apparentemente sospesa. Una proposta che esprime il proprio animo sartoriale nelle preziose cuciture "a pizzicotto" che definiscono l'estetica del rivestimento in tessuto o in pelle.

A sectional sofa, which allows extreme modularity freedom in a geometric harmony of soft volumes that, in their visual simplicity, immediately invite you to experience calm and relaxation, tuning in to the rhythm of your breathing. Dao Soft, the new furnishing proposal designed by Gordon Guillaumier, who inaugurates the new collaboration with Frigerio, features high backrests and seat elements padded with different densities of polyurethane foam and Cloud Foam covered with quilt in Microflock to offer full comfort and flexibility, allowing configurations going from the most classic and traditional to the most contemporary ones. Central elements, corner elements, terminal elements, hammered armrests and modules with unusual shapes, such as chaise longue and dormeuse, allow full customisation of the environments. Each module rests on a base, making its soft silhouette even lighter, seemingly suspended. A proposal that expresses its sartorial spirit in the precious sewing "a pizzicotto" that defines the aesthetics with cover in fabric or in leather.

Struttura: legno multistrato imbottito in poliuretano espanso indeformabile e Cloud Foam, rivestito con trapuntino in Microflock (poliestere rigenerato).
